**I. MOTION TO SEAL**

Plaintiffs have filed a Motion for Preliminary Injunction. See Docket No. 88. The Court has scheduled a hearing on this Motion for Monday, March 3, 2008. See Docket No. 135. In support of their Motion, Plaintiffs have filed an Administrative Motion to File Reply Declaration of Mother Containing Personal Identifying Information Under Seal. See Docket No. 120. It is hereby ORDERED that:

The unredacted Reply Declaration of Mother shall be filed under seal to protect the information from public disclosure. A redacted version shall be filed on the public docket.

Plaintiffs' Motion is DENIED in all other respects.

1 **II. WITNESSES FOR HEARING**

2 As requested by the Court, both parties have submitted lists  
3 of possible witnesses for the March 3 hearing. After reviewing  
4 the lists, the Court hereby limits Plaintiffs' witnesses to those  
5 who are named; the anonymous witnesses (Mother 1, Mother 3, Father  
6 2, Father 3, and Wife 1) will not be necessary to resolving the  
7 issues that will be before the Court at the hearing. The parties  
8 may, however, refer to any affidavits submitted by these  
9 witnesses.

10  
11 **III. CONCLUSION**

15 IN PART. In addition, Plaintiffs' witnesses for the March 3
